2	The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 29 May, 2022
3	The result for the year and quarter ended 31 March 2022 were audited by the Statutory Auditors of the Company.
4	The main business of the Company is financing activity. Further, all activities are carried out within India. As such, there are no separate reportable segments as per the Indian Accounting Standard 108 (Ind AS) on Operating Segment.
5	There are no exceptional items during the above mentioned periods.
6	The figures of the quarters ended 31st March are the balancing figures between the audited figures in respect of the full financial year and published year to date figures up to the third quarter of the relevant financial year duly adjusted to comply with Ind AS which were subject to limited review by the Statutory Auditors of the Company.
7	Previous period/ year figures have been regrouped/ reclassified, wherever found necessary, to confirm to current period/year classification.
8	The COVID-19 pandemic has continued to cause a significant disruption of the economic activities across the globe including India throughout the current year. It is difficult to predict how long COVID waves will continue to come and go and with what intensity. We remain watchful of the emerging situation. Further, the management has estimated the impact of the pandemic on its loan portfolio, based on reasonable and supportable information available till date and considering performance after the first wave, second wave and third wave, and has noted that the existing provisioning levels are adequate to cover any further delinquencies. Given the unique nature and scale of this pandemic, its full extent of impact on the Company's operations and financial metrics, more specifically on the borrower's ability to service their obligations on a timely basis, will depend on the severity and duration of the pandemic as well as on highly uncertain future developments including governmental and regulatory measures taken time to time and the Company's responses thereto. The Company has assessed the impact of the pandemic on its liquidity and ability to repay its obligations as and when they are due. Based on the foregoing, management believes that the Company will be able to pay its obligations as and when these become due in the foreseeable future. The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these standalone financial statements. The impact of COVID-19 on the operations of the Company and standalone financial statements may differ from that estimated as at the date of approval of these standalone financial statements owing to the uncertain nature and duration of COVID-19 pandemic and is significantly dependent on uncertain future economic conditions.
